

# McIntyre Elementary

## Chess Club - Winter 2019-

It's time again for the McIntyre Chess Club! Players of all levels are welcome from kindergarten through 6<sup>th</sup> grade. No knowledge of chess is needed, and chessboards are provided.

The teacher will present a lesson and then divide students of similar levels into pairs for a game. Our instructor is John Young, who taught the Ross Chess Club last year. Mr. Young has been teaching chess in the Pittsburgh Public Schools for several years and has been a member of the Pittsburgh Chess Club since 1961.
