January 2020

Dear Parent/Guardian,

We are so pleased to share with you that McIntyre Elementary has a Kids of STEEL team! We invite your child to be part of the fun! Join us by using the following link for the Chick-fil-A Pittsburgh Kids Marathon at kidsofsteel.org/races and select our team from the drop down menu on the registration page.

The 1-mile Pittsburgh Kids Marathon is a fun way for kids (and their families) to participate in the DICK'S Sporting Goods Pittsburgh Marathon weekend of events. This event, to take place on Saturday, May 2, 2020, is the culminating race for Kids of STEEL participants following the Kids Marathon training plan.

Each registered child receives:

- A confidence boost that comes from setting and achieving a goal
- Curriculum and training plan to inspire healthy habits!
 - Kids of STEEL was awarded "Youth Running Program of the Year" in 2015 by Running USA.
- A free entry for an adult to join them on the course
- Race shirt
- Finisher medal
- Goody bag

Please be sure to select our school from the list to ensure that your child is registered with our team and have his/her shirt is delivered to our site.

We will be meeting in the McIntyre Elementary School gymnasium, every other Tuesday evening from 6-7pm beginning February 4th. This year, Kindergarten through sixth grade may participate. A registration form must be completed and returned to the school for each child participating in the program.

I'm so excited to be joining you and your child in one of the country's largest kid's races! If you have any questions, please contact me at karaejames1@gmail.com.

Sincerely,

Kara James, Parent Volunteer
McIntyre Elementary

PS: If you have a child in your family who would also like to participate in Marathon weekend but the 1-mile course isn't right for them, the Sheetz Pittsburgh Toddler Trot and the UPMC Health Plan / UPMC Sports Medicine Pittsburgh 5K Run takes place on the same day as the Kids Marathon! Learn more at kidsofsteel.org/races.
