Are you interested in helping the teachers at McIntyre? The PTSO is looking for volunteers to help with Materials Workshop. Materials Workshop includes parent volunteers completing tasks for the teachers, such as cutting paper and laminating. It's a great way to help our school and meet fellow McIntyre parents!

You can volunteer one hour or several hours. The teachers will appreciate your help, and this is an easy way to get involved with the PTSO! You **MUST** have your clearances on-file with the District to volunteer.
